For more than 145 years, the management and staff of the Goodwin Funeral Home & Cremation Services have provided sensitive, professional service to the people of Manchester and the surrounding communities.

The payment terms of the funeral home are:

- ◆ **Payment of the contracted amount is due after the arrangements. We will not schedule services until the financial responsibilities are complete.**
- ◆ **If there is a remaining balance because some charges are estimates, that balance is due within 30 days of the final billing date. Failure to do so in a timely manner will also result in the Estate Collection Fee being applied.**

If the balance is over 30 days past due, the following penalty rate will be incurred:

- ◆ 1 ½% per month
- ◆ 18% per year

The purchaser agrees to pay reasonable attorney's fees, court costs, and other costs, including collections if incurred in the collection of this debt.

Acceptable forms of payment include:

- ◆ Cash, check, or money order
- ◆ Credit cards: (A 2% processing fee will be added to cash advance items)
- ◆ Assignment of life insurance.
Claims are processed through Claim Check Assignment Services.
Claim Check charges fee on the total assignment which will be deducted from the policy balance due to the family.
- ◆ Funeral trust or funeral insurance proceeds

Under circumstances where the estate of the deceased must pay the funeral expenses, we ask that a member of the family pay those expenses instead and file their claim for reimbursement with the decedent's estate. Alternately, an "estate fee" of \$1,000.00 will be applied.

Goodwin Funeral Home & Cremation Services does not offer any payment plans. If you need financing, we encourage you to seek the assistance of a bank or another financial institution.

THANK YOU FOR THE OPPORTUNITY TO ASSIST YOU AND YOUR FAMILY.

PREARRANGEMENT OPTIONS

Prearrangements can be non-funded or funded. Below are the options and explanations.

NON-FUNDED PREARRANGEMENTS

Non-funded prearrangement; the information that you wish to provide is recorded and saved in a file at the funeral home. It will serve as a reference for your family. It can be as detailed as you wish, including the selections of merchandise, services, as well as the writing of an obituary. Or it can be as simple as recording vital statistics and wishes for final disposition. The family is then responsible for payment at the time of need.

FUNDED PREARRANGEMENTS

There are two types of funded prearrangements, those that offer a guaranteed price and those that are non-guaranteed. Funded prearrangement are always the property of the potential decedent until the services are rendered. All monies are deposited into an *irrevocable account*. It can be transferred to any funeral home but can only be used for funeral expenses. Payments may be made over time into an account or can be fully funded at the time of the creation of the trust.

~Cash Advance Items Are Nonguaranteed~

1. GUARANTEED PREARRANGEMENTS

For guaranteed prices, the Goodwin Funeral Home & Cremation Services offers you the inflation-proof pricing option. We offer this either through Homesteaders Life Insurance Company Via an Insurance Policy.

Cash Advance items from 3rd party providers may be funded but are not guaranteed.

2. NON-GUARANTEED PREARRANGEMENTS

For non-guaranteed funded prearrangements, the cost of the service and merchandise will be taken from the most current General Price List, at the time of need. If there are any excess funds after the statement is paid, the proceeds that remain will be refunded to the estate or family. Any deficiencies will be the responsibility of the family at the time of need. The funding option for non-guaranteed prearrangements can be **funded by an irrevocable trust or by assignment of life insurance**. If payments are made into a trust, it can be converted to the guaranteed option once it is fully funded.
